MEMORANDUM FOR : Representatives on NSC Special Committee on
Technical Surveillance Countermeasures

FROM : Leo J. Moser
Executive Secretary
NSC Special Committee on Technical
Surveillance Countermeasures, De-
partment of State
Washington, D. C.

SUBJECT : Questionnaire on Research and Development

ILLEGIB

At its meeting of September 11, 1957, the NSC Special Committee on Technical Surveillance Countermeasures decided that the Secretariat circulate a questionnaire to solicit current information on the status of research and development in the field of technical surveillance countermeasures. This information will be turned over to Subcommittee One for use in the preparation of recommendations on research and development.

1. Has your agency adopted any new type of countermeasure equipment not previously reported in use by any member of the Committee? *no* 50X1
2. What research and development programs is your agency now engaged in, but which were not covered by your previous reports to the Committee? *multiple* 50X1
3. What contracts does your agency presently have outstanding in the field of countermeasure research or development? *none*
4. What is the amount of these contracts? What will they total this fiscal year? *none*
5. What is your agency spending during this fiscal year for the development of countermeasure equipment? *anticipate* 50X1
